EnergyU CEU Application

What is a CEU?

CEUs are an internationally recognized system of documenting professional education with qualified providers. Check with your educational institute or professional organization to see how the CEUs you earn can be applied toward other educational programs and certifications.

Request CEUs

To obtain CEUs for passing EnergyU online courses, complete this application and return to MEA, attention Kelly Tolzmann (kellyt@midwestenergy.org). MEA will record and maintain your CEU transcripts for seven years. This gives you the opportunity to accumulate credits for current or future uses.

Questions?

If you have any questions about MEA's CEU program, contact the MEA CEU Program Administrator:
